PROFILE Multidisciplinary Art Director combining a strategic creative vision with a strong foundation in digital development and generative AI. I specialize in building 360° brand ecosystems—from conceptual visual identity and physical packaging to UX/UI, interactive campaigns, and AI-assisted storytelling. My unique background blending fashion visual merchandising, client relations, and modern web technologies allows me to craft compelling, user-centered narratives that bridge the physical and digital worlds.

CORE COMPETENCIES & TOOLS

Art Direction & Design: Adobe Photoshop, Illustrator, InDesign, Canva, Branding, 360° Campaigns, Visual Merchandising,

AI & Generative Tools : Gemini, Suno.

UX/UI & Digital Strategy: Adobe XD, User, Storytelling, Wireframing.

Creative Technologist: HTML, CSS, JavaScript, React.js, Node.js, Express, MongoDB.

PORTFOLIO HIGHLIGHTS

The False Nine: Founder & Art Director of an independent premium streetwear label. Developed the complete visual identity, packaging suite, and apparel design rooted in strategic football culture.

360° Brand Campaigns: Led conceptual rebranding and experiential OOH activations for global brands like Erdinger and conceptualized fusion gastronomy identities like Okami.

Generative & Audio-Visual Concepts: Directed and produced "4-4-2", a conceptual 11-track music project blending football heritage with generative AI audio tools, demonstrating advanced storytelling and cross-media creative direction.
